

Approvals & Standards

	ISO 9001:2008	Quality Management System
	CSA 30 (FM 3615) Class I and II Division I Groups A, B, C, D, E, F, G	Explosion Proof Pressure Transmitters
	ANSI 12.27.01 - 2003	Single Seal Approved for Canadian Pressure Equipment
 	CSA 157 (UL 913) Class I Division 1 Groups C, D	Intrinsically Safe Pressure Transmitters
	CSA 213 (UL 1203) Class I Division 2 Groups A, B, C, D	Non-Incendive Pressure Transmitters
	ABS Type Approval	Marine equipment certification

	ExnALIICT6	China Hazardous Locations
	ExialIBT3	China Hazardous Locations
	CE EN61326	Electrical Interference Testing
	EN 60068-2-27, EN 60068-2-6, 60068-2-64, and IEC 68-2-32	Shock and Vibration Testing
	MIL-S-901D	Grade A, Class II, Type A, nine (9) blow lightweight shock test
	EC 79/2009	Hydrogen Vehicle Certification
	HyWay 2/3 Environmental E/E-Component Test Requirement, DaimlerChrysler Joint Engineering Standard, DC-10611 Rev-A	Environmental certification for hydrogen vehicle qualification

“American Sensor Technologies, Inc. will meet or exceed customer expectations for quality, delivery and performance. We will meet applicable regulatory requirements. We are committed to growing, improving and enhancing our processes, products and people.”
